IRIDIUM REGULAR PREPAID SERVICES: Activation fees do not apply to reloads on previously activated SIMs. Prepaid SIM card continues to be valid for the amount of validity time indicated on the order page relative to activation date if a nonzero balance is maintained on the card. Initial activation date may be 1 day prior to the date customer signs this contract. If a zero balance remains on the card for 15 days, the SIM card becomes permanently inactive. Monthly call details are not available with this service. Billing is in 20 second increments. Basic Rate services are charged at 60 units per minute and include data calls, outbound voice calls to public switched telephone numbers and inbound calls on Iridium two-staging dialing. The current rates for other types of calls are posted at www.OutfitterSatellite.com. Subsequent reload vouchers add validity to remaining units on SIM card relative to the current expiration date, except that there is a maximum validity of 24 months from the date of any given reload regardless of how many reload vouchers are applied on that date. Any existing prepaid account balance will be lost if a regional prepaid voucher is loaded onto this account.

IRIDIUM REGIONAL PREPAID SERVICES: Activation fees do not apply to reloads on previously activated SIMs. Prepaid SIM card continues to be valid for the amount of validity time indicated on the order page relative to activation date if a nonzero balance is maintained on the card. Initial activation date may be 1 day prior to the date customer signs this contract. If a zero balance remains on the card for 15 days, the SIM card becomes permanently inactive. Monthly call details are not available with this service. Billing is in 20 second increments. The Basic Minute is 24 units (that is Basic Rate services are 24 units per minute and include voice calls to PSTN numbers). The current rates for other types of calls are posted on Outfitter Satellite's web site. Origination of calls and SMS is restricted to the home zone of the regional prepaid service. Africa home zone prepaid minutes are valid for 12 months from the initial activation or 12 months from the last reload; Alaska/Canada home zone prepaid minutes are valid for 6 months after initial activation or 6 months after the last reload. Existing prepaid account balance will be lost if a regular prepaid voucher or a different type of regional prepaid voucher is loaded onto this account.
