NOTE #1: Basic Rate includes calls to public switched numbers worldwide. Regional prepaid plans require that all calls originate from within home region. See rate plans for complete terms and conditions. Customer pays USF/tax.

NOTE #2: North American Plan Home Zone includes the continental US/Canada and selected islands. The 10 free minutes each month must be Home Zone Voice minutes and if used are lost. See plan for complete terms and conditions.

CUSTOMER TESTIMONIAL:

“Producing television programs featuring international hunting requires being away from home for weeks at a time, often in locations without modern conveniences, including a telephone. Whether I am in the Himalayas, the savannah, or the Rocky Mountains, my satellite phones from Outfitter Satellite allow me to handle office business and keep in touch with home, which make extended road trips tolerable.”
