**THURAYA PREPAID SERVICES:** Prepaid Thuraya services are purchased in the form of vouchers with 80 or 160 “units” of service. The unit per minute charge varies according to the type of call being made and the SIM card’s rate plan and may change from time to time without notice. Current rates are published on www.OutfitterSatellite.com. Each of the “units” loaded onto your prepaid account correspond to \$1 of usage availability. It is the Customer’s responsibility to know the rate for any call prior to making that call. In particular, calls to other satellite phone systems may be at significantly higher rates. Prepaid usage that is not used during its validity period is lost. If Customer requests that Scratch Card (voucher) information is transmitted by e-mail or by other electronic means, then Customer bears the risk of loss; no replacement Scratch Card information will be provided. Unused prepaid airtime is not refundable. No call logs are provided with prepaid services. Card must show usage within 6 months of activation or it is deactivated.

**ANNUAL RENEWAL FEE:** Thuraya deducts a \$39 “Annual Renewal Fee” (ARF) from the usage credits on the SIM card account on each anniversary of the first call made on the SIM. This fee is waived if Thuraya-mode usage exceeds \$1500 during the previous 12 months. The customer receives a pre-notification of the ARF Fee via SMS messaging on the Thuraya phone. Thuraya can change the ARF fee without notice (see www.OutfitterSatellite.com for current ARF fees).

**VIRTUAL SCRATCH CARDS:** Virtual Scratch Card orders are usually transmitted to your email address of record on the first business day after the request is processed. If Customer requests that Scratch Card (voucher) information is transmitted by e-mail or by other electronic means, then Customer bears the risk of loss; no replacement Scratch Card information will be provided.
